

The MORE Friends the BETTER!

Friends are needed to:

- ...stimulate greater interest in bringing people to the library.
- ...assist in maintaining, improving and enlarging the library's resources and services.
- ...interpret the library's needs to the community.
- ...support the library staff with volunteer hours.
- ...to foster and promote new and innovative ways of involving the library in the everyday life of the community.

Citizens regard the paintings of the hugely successful Old Masters Reception.
