Author Visit: Jordan LaHaye Fontenot

Author of *Home of the Happy: A Murder on the Cajun Prairie*

Mon, Sept. 8 | 6:00-7:00 PM | Main Library | Ages 18+

Jordan LaHaye Fontenot will be at the Main Library to speak about her book *Home of the Happy: A Murder on the Cajun Prairie*.

On January 16, 1983, Aubrey LaHaye's body was found floating in the Bayou Nezpique. His kidnapping ten days before sparked "the biggest manhunt in the history of Evangeline Parish." His descendants would hear the story as lore, in whispers of the dreadful day the FBI landed a helicopter in the family's front lawn and set out on horseback to search for the seventy-year-old banker.

Decades later, Aubrey's great-granddaughter Jordan LaHaye Fontenot asked her father, the parish urologist, to tell the full story. He revealed that to this day, every few months, one of his patients will bring up his grandfather's murder, and the man accused of killing him, John Brady Balfa, who remains at the Louisiana State Penitentiary at Angola serving a life sentence. They'll say, in so many words: "Dr. Marcel, I really don't think that Balfa boy killed your granddaddy."

Jordan LaHaye Fontenot is a writer and editor based in the Acadiana region of South Louisiana. A graduate of Louisiana State University and the recipient of the 2018 Sarah Sue Goldsmith Award for Nonfiction, her work has appeared in regional and international publications including *inRegister*, *Atlas Obscura*, and the *Oxford American*. She was a Writer-in-Residence at NUNU Arts and Culture Collective in Arnaudville in 2022 and 2023, and a panelist at the annual Society of Professional Journalists Conference in 2021. Her work has been published most extensively in the Louisiana culture magazine *Country Roads*, where she currently serves as Managing Editor.

A Look Into Accelerated Reading Levels

What is Accelerated Reader?

Accelerated Reader is a software program for K-12 schools for monitoring reading practice. The Iberia Parish Library may help you navigate your search for books on your level.

All branches of your Iberia Parish Library have children's and teen books to fit the needs of each student.

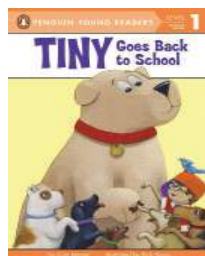

How do I know if a book is AR?

Each book has a stamp on the inside back cover or the first few pages. This stamp indicates the reading level, AR points, and a Quiz Number. If you are unsure of a book's AR information, a staff member will be happy to assist you!

Miss Humblebee's Academy

Kindergarten Prep

Families can access Gale Presents: Miss Humblebee's Academy through your Iberia Parish Library. This award-winning program prepares children ages 3 to 6 for kindergarten proficiency with hundreds of guided lessons using videos, music, eBooks, teacher-led tutorials, and more. To ensure screen time is limited, 40 percent of the material is off-line and includes printable resources and science, technology, engineering, the arts, and mathematics (STEAM) activities.

Whether it's covering core subject areas, social and emotional learning, or fitness, this program gives all children the opportunity to learn in a safe online classroom environment, with no pop-ups, ads, or links to other websites.

This resource supports parents and caregivers too. Helpful resources include an interactive kindergarten-readiness checklist and age-related developmental milestones, along with printable trackers, charts, planners, and schedules. Weekly email notifications provide a snapshot of the child's progress and performance, helping parents to identify their child's strengths, pinpoint trouble spots, view improvement over time, and measure their progress through a kindergarten-readiness assessment.
